This matter arises upon the motion of Michael E. Conliffe, ex rel., Jefferson County, Kentucky ("Jefferson County"), filed January 9, 1995, for full intervention. Jefferson County states in its motion that it acknowledges that a procedural schedule has been established and that it will not seek to change, alter, or amend the schedule. It appearing to the Commission that Jefferson County has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:

1. The motion of Jefferson County to intervene is granted.
2. Jefferson County shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Jefferson County file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 13th day of January, 1995.
